Prelude in C minor
BWV 547a

Johann Sebastian Bach
Transkription-Anton Höger

Two staves of guitar music. The top staff (Gtr.1) features a melodic line with frequent sixteenth-note runs. The bottom staff (Gtr.2) provides a rhythmic accompaniment with a steady eighth-note pattern.

© by Anton Höger 2016

94

PRÆLUDIUM II.

Five systems of piano music. The score is written for both treble and bass clefs. It features complex textures with many sixteenth and thirty-second notes, characteristic of Bach's preludes. The piece concludes with a final cadence.

Prelude and Fugue in C Minor

BWV 549

J. S. Bach
arr. K. W.

Praeludium.

The prelude section of the piece, BWV 549. It begins with the tempo marking "Andante maestoso, ma non troppo lento" and the instruction "sempre marcato e tenuto". The score is in C minor and 3/4 time. It features a prominent bass line with a steady eighth-note accompaniment and a more active treble line. The piece includes dynamic markings such as "allargando", "Lento maestoso", "rit.", "a piacere", and "fp".

Preludio (simplified)

after: Johann Sebastian Bach
BWV 947

A simplified musical score for the Preludio BWV 947 by Johann Sebastian Bach. The score is presented in 25 staves, each containing a single melodic line. The music is in C major and features a consistent eighth-note rhythmic pattern. The notation includes treble clefs, a common time signature, and various accidentals (sharps and naturals) to indicate the correct pitch for each note. The score is a simplified version, focusing on the basic melodic structure without complex harmonic or contrapuntal details.

Prelude and Fugue No. 1 in C major

A musical score for the Prelude and Fugue No. 1 in C major by Johann Sebastian Bach. The score is in C major and features a moderate tempo. It consists of a prelude followed by a fugue. The prelude is in C major and features a simple harmonic structure. The fugue is in C major and features a complex harmonic structure. The score is in standard musical notation, including treble and bass clefs, a common time signature, and various accidentals. The score is a simplified version, focusing on the basic melodic structure without complex harmonic or contrapuntal details.

Javascript is required to submit files. On the Well-Tempered Clavier's title page, J.S. Bach wrote that these works were "...for the profit and use of the musical youth eager to learn as well as for the pastime of those already skilled in this study." How we interpret the meaning of "learning" and "pastime" is up to each of us. For me, the most striking characteristic of this work is its perfect relationship between counterpoint and harmony. I have always desired to understand the mechanisms behind this relationship, to find the source of Bach's harmonic awareness, and to then play these compositions with this understanding. The current prevailing paradigm is that the scores of the WTC are essentially composed of pitches and intervals directly projected from Bach's mind into different voices. Under this paradigm, the harmony is widely considered, at least in many of Bach's fugues, to be the inexplicable result of the constant encounters between the different voices, thus disregarding any possibility to find structured harmonic progressions in the preludes and fugues. Therefore, any harmonic study is reduced to a theoretical exercise, with no link to the mental process of the composer's creation or performance. Despite the alleged insignificance, the urge to understand Bach's harmonic thinking is hardly a new one. In 1773, a student of Kirnberger's, J.A.P. Schulz wrote a treatise at his teacher's request. This treatise, "Die wahren Grundsätze zum Gebrauch der Harmony", (The true principles for the practice of harmony) includes harmonic interpretations of Bach's Fugues in B Minor, bk. I, and in A Minor, bk. II. As part of this harmonic study, the treatise adds a realized thorough bass and two figured fundamental basses on independent staves to each fugue. By the time I read this treatise, I had already begun to discover that logical progressions of implied fundamental basses—which I believed were representations of a mental process—lay at the core of many of Bach's compositions. Schulz's work was an important step, as his thorough bass showed that these fugues could be understood beyond the given contrapuntal lines, but he did not describe the progressional logic to be found across entire compositions. I accomplished the next step by completely dissociating the bass from a staff, since writing these basses on a staff contradicts their abstract nature. This also avoids any confusion with the natural resonance's bass. By seeking to break away from conventional understandings of Bach's compositional process, I was able to come at the problem from a new direction. Through my search for how Bach's melodic lines may have resulted from a far deeper mental process, I was led toward the mental-bass concept, and these mental basses allowed me to formulate harmonic solutions for all 96 pieces of the WTC. This edition of the Prelude and Fugue in C Major from the Well-Tempered Clavier, bk. I, presents a full score harmonic interpretation illustrated by a new graphical concept (explained with a quick reference card) within the score itself, permitting study and understanding of the harmony's logic through the music itself, and without "blather". In addition, an unannotated score is also provided. I have also written a brief booklet, which is divided as follows. The first section explains any difficulties that may be seen in the prelude's graphical analysis. The next part is dedicated to reconstructing the fugue's compositional process step by step, as informed by the mental bass. The third section contains a brief demonstration of how the fugue's modal roots influenced its composition in the eighteenth century, as illustrated by various historical sources. Finally, I have provided a glossary, partly to define terms and concepts created for this study, and partly to provide easy reference to terms that are difficult to find elsewhere. Palmer, explains that "this is the most frequently performed of all the preludes and fugues from the two volumes of J. S. Bach's "The Well-Tempered Clavier." This excellent edition contains an explanation of the source manuscripts from which it has been prepared, a wonderful lesson on fugal construction, and numerous footnotes, as well as editorial additions in gray print. Find sources: "Prelude and Fugue in C minor, BWV 847" — news · newspapers · books · scholar · JSTOR (April 2018) (Learn how and when to remove this template message) Prelude and Fugue in C Minor, BWV 847, is a keyboard composition written by Johann Sebastian Bach. It is the second prelude and fugue in the first book of The Well-Tempered Clavier, a series of 48 preludes and fugues by the composer. Analysis Prelude The prelude is 38 bars long, and consists mostly of a repeating motif. The motif consists of running sixteenth notes in the form of broken chords in both hands. Below are the first four bars of the prelude: The first four bars of the prelude. Listen (help·info) The prelude continues like so for 33 bars, with different harmony and changes of key. The coda begins at the 34th bar, where a sudden change of texture and tempo occurs. In the first bar of the coda, an arpeggiated chord is followed by a rapid succession of thirty-second notes. This new motif is repeated twice, after which a succession of sixteenth notes ends the prelude on a picardy third. Fugue The fugue is 31 bars long, and is written for 3 voices. Below is the two measure subject of the fugue, which starts in the middle voice: The subject of the fugue. Listen (help·info) Just like most fugues in the baroque period, the subject is then repeated in the top voice in the dominant key (G minor), and then repeated once more in the lowest voice, again in the home key. The fugue then continues with a development, and then another repetition of the subject in the home key. Just like the prelude, the fugue ends with a picardy third. References Bach, Johann Sebastian.
